Dear Friends,

As the new GA Chapter President, I want to extend my appreciation to all of you for your continued support of our organization. The GA Chapter of the ICRI has now won an Outstanding Chapter Award for 7 consecutive years. Unfortunately, the distinction as Chapter of the Year has eluded us once again. We want to rectify that in 2007, and with your continued support we are confident that is an obtainable milestone for our Chapter.

One of our critical efforts is to spread the message of Concrete Repair to the youth of our industry. In 2006 we established an effort to encourage student memberships in the ICRI Organization. As part of continuing that effort, we would like to encourage each of you to consider a donation to fund student memberships.

The current student membership is \$40.00 for the GA Chapter and \$30.00 for the National membership. As we did last year we want to offer students a reduced rate for a combined membership of \$10.00. To accomplish this we are going to wave the GA Chapter fee and sponsor the remaining \$20.00 portion of the National fee.

For several years we have offered members of the GA Chapter of the ICRI an opportunity to advertise on our website. We want to continue to offer that opportunity. If members would like to advertise, we ask that they provide us with an electronic version of their company logo and pay an annual fee of \$125.00.

Should any of these opportunities interest you, please complete the following information and return by fax to "Sam" at (770) 455-7274.
